What Students Say

“Ortho-Bionomy is one of the best kept secrets in bodywork. It’s gentle on the therapist and the client, and it’s fun!” - Jodie L., Chapel Hill

“It’s the most profound, yet simple and honoring work I have experienced.” - Gena J., Clyde, NC

“Not to be missed! This is the most user-friendly, non-intrusive, and profound modality I’ve learned in my 12 years of practicing bodywork.” - Denise C., Knoxville, TN
